# SPECTRA 1 SYSTEM

## Heavy-Duty Degreaser - 2

**Description:** Spectra System 1 Heavy-Duty Degreaser - 2 is a heavy-duty degreaser/emulsifier concentrate formulated for use in the Spectra System II or buddy system portion control dispensers. It was designed for use in difficult to clean areas such as trash rooms, kitchens, garages, machine shops, warehouses, truck and bus cleaning stations, and public facilities. Spectra 2 may be used in foam apparatus and pressure washers. It is highly concentrated for use at 19 parts water to 1 part concentrate.

- Benefits:**
- Contains no solvents, ammonia, or caustics
  - Color coded for ease of use
  - Quat-based detergent kills odors as it cleans
  - Highly concentrated for economy of use
  - Reduction in waste
  - Easy control of chemical usage
  - Choice of automatic dispensing system or buddy jug system
  - Simplifies training of users; bridges language barriers
  - No measuring required

**Specifications:**

Appearance:	Clear liquid
Color:	Green
Odor:	Bouquet
Use Dilution:	1:19
Storage Stability:	Two year minimum in a closed container.
Protective Clothing:	See Safety Data Sheet (SDS)
VOC's, % as is:	0
Product Conformance:	Manufactured by an ISO 9001:2008 registered company.

**Comments:** A dispensing unit which holds 1 gallon of concentrate and dispenses in bulk or spray bottles may be mounted to the wall near a water source. 1 quart of product makes 5 gallons of end use cleaner.

**Directions:** When using the Spectra System dilution control system, place container in rack, remove cap, and put feed tube into container. Use the proper 1:19 dilution tip for 1 GPM spray bottle or 3.5 GPM bulk filling. When using the 5 gallon "buddy jug" reservoir system, add 1 quart to the reservoir and fill the remaining space with water.

**Product Disposal:** This product is non-hazardous material. Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled.
