SPECTRA SYSTEM 3 MAINTAINER PLUS-311

Acrylic and Urethane Floor Finish Maintainer

Description:

Spectra System 3 Maintainer Plus-311 is a high- or low-speed maintainer for acrylic and acrylic/urethane floor finishes. It can be used as a mop on product or spray buff. Spectra System 3 Maintainer Plus-311 not only gives a high gloss and wet look, but is also an excellent cleaner. Spectra System 3 Maintainer Plus-311 may be used in automatic scrubbers or may be used with a low- or high-speed machine when top scrubbing the floor.

Benefits:

- Increases slip resistance
- High dilution factor for economy use
- Restores gloss and appearance without finish buildup
- Does not soften finish surface
- Burnishes out quickly for productivity
- Excellent cleaner

Specifications:

Appearance:	Clear liquid
Color:	Pink
Odor:	Peppermint
Use Dilution:	1:42 (Bucket Fill), 1:38 (Bottle)
Storage Stability:	Two years in sealed container
Protective Clothing:	See Safety Data Sheet (SDS)
VOC's, % as is:	0 lb./gal.
Product Conformance:	Manufactured by an ISO 9001:2008 registered company.

Comments:

Daycon Maintainer Plus contains no waxes to soften the surface and cause potential slip problems.

Directions:

This product is recommended to be used with cold water from the tap at a 1:42 dilution ratio or 3 oz. per gallon of water. For bottle fill insert a peach (Knight) tip in line prior to the dispenser. Maintainer Plus can be mopped on or used in an auto-scrubber, then burnished to restore clear, glossy surface. Product may also be used as a spray buff.

Product Disposal:

This product is non-hazardous material. Dispose of in accordance with local, state, and federal regulations. It is recommended that the high density polyethylene container and any corrugated packaging be recycled
